

Township's Largest Dairy Going on Auction Block

The Zwissig Brothers Dairy, largest and oldest dairy in Washington Township, is to be discontinued early next month and the herd of more than 800 head of dairy cattle to be auctioned.

The announcement was made by Joe, Carl and Frank Zwissig, the three brothers who, along with their brother, Louis, deceased, have operated the large dairy between Niles and Decoto for the past 36 years.

The exact date of the sale has not been set but will be held probably the first week in September, it was indicated yesterday.

Recognized as one of the outstanding dairies of the state, the office at the ranch is filled with trophies, ribbons and awards won by the Zwissig Brothers' herds over a long span of years. So numerous are the awards that many have not yet been placed in frames for display.

The name of Zwissig has long been associated with the dairy business in the bay area.

It was in 1880 that Louis Zwissig, father of the local men, opened the Denver Dairy in San Francisco. Crowded out by an expanding city, he moved the dairy to what is now the Patterson Ranch near Newark in 1905.

In 1915 Mr. Zwissig and his four sons purchased the 237 acres which is the present site of the dairy.

From that beginning the dairy grew to its present size—2,200 additional acres of grazing and farm land under lease, with a herd of more than 800 top holstein dairy cows producing 1,200 gallons of milk per day.

In 1948 the dairy set a new record in production with herd average of 346.2 pounds of butterfat per cow for the year.

Future use of the land, still undivided among the brothers and heirs, has not been definitely determined.

DECOTO ENDORSES CONSOLIDATION

The directors of the Decoto Sanitar District favor the consolidation of all of the sanitary districts of the township if and when a feasible plan is submitted, George Smith, director, told the members of the Decoto Chamber of Commerce at their meeting Tuesday evening.

President Eddie Paniagua announced that federal officials had been in the community looking over the possible sites for the new post office. The sites under consideration include the expansion of the present building; adjacent to the Decoto Variety Store and next to the Decoto Theater.

Secretary Bernie Joseph read a letter from Senator Arthur Breed Jr. in which he stated that he was in accord with the Chamber's stand that the present sirens should be retained by fire departments and not become the alert signals for the civilian defense program.

The Chamber named Bernie Joseph as its representative to the committee sought by the Township Chamber of Commerce to present a "Buy in the Township" campaign.

APRICOT GROWERS GET NEAR RECORD RETURN FOR CROP

The 1951 apricot harvest, one of the most lucrative for local growers in many years, drew to a close this week.

Local canneries reported an average price of \$120 per ton to the growers and estimated that 7,000 tons were purchased here in the township, grossing the growers some \$840,000.

Because of the high price paid by processors this season a comparative light percentage of the yield was diverted to the drying yards and canneries reported from 40 to 50 per cent increase in their volume over last year.

The returns to the growers this year was kept from setting an all-time record by the fact that in one of the war years a price of \$110 per ton was paid for a bumper crop.

This year's yield was estimated by the Farm Bureau to be about 80 per cent of the normal yield.

The two local canneries have now closed down the apricot pack and converted to canning peaches.

PHONE COMPANY ASKS RATE BOOST; TEN CENT CALLS

The abandonment of the nickel telephone charge with an increase to 10 cents was sought Monday by the Pacific Telephone and Telegraph Company in a request filed with the State Public Utilities Commission asking for rate increases.

The increase, which would also up business and private residence rates, would boost the company earnings \$14,500,000 yearly.

WAGE COST INCREASED

In commenting on the application for the boost, Mark R. Sullivan, president of the company, stated, "To help speed action of this request—the need for which should be beyond controversy—we are withdrawing without prejudice a previous application for rate review involving many complicated questions. Wages make up about half of our operating costs. The size of our wage bill speaks for quick action. Earnings of the company, already below what they should be, allow no margin for absorbing any part of the added wage costs.

"So, it is imperative that we fully recover these added wage costs without delay."

The bulk of the increases would be obtained from charges in basic exchange service rates, which would apply equally to the same class of service throughout the state.

LINE CHARGE BOOST

The company announced as an example, that individual line residence service would be increased 30 cents per month and two-party flat rate residence service would be increased 25 cents per month.

A temporary surcharge of three per cent would be added to customer's monthly exchange charges until equipment alterations permit changing to a 10 cent rate for local calls from a coin box.

The company also announced that miscellaneous changes are also included.

TOWNSHIP CHAMBER TO MEET ON AUGUST 15

The regular monthly meeting of the Washington Township Chamber of Commerce will be held on Wednesday, August 15, beginning at 8 p.m., at the Alvarado Elementary School.

RENT DECONTROL HEARING SOUGHT FOR TOWNSHIP AREA

The Board of Supervisors of Alameda County this week was asked to hold a hearing in Washington Township on the subject of decontrol of rents in the unincorporated area of the county.

Acting in response to the request of four Niles landlords, the Niles Chamber of Commerce voted at its weekly meeting Tuesday to ask the supervisors to call a local meeting at which both landlords and tenants can present their arguments for or against removal of rent controls.

The Chamber, while asking for the hearing, declined to take a stand on the issue which members considered to be outside of their function.

Leon Orcutt representing the group of landlords at the meeting at the International Kitchen, stated that cost of maintenance, value of investment and cost of utilities have increased to the point where it is unprofitable, in some cases, to rent property.

Controls do not apply to newer rental property, he pointed out; thus there exists a situation which is unfair to owners of property controlled by rent ceilings.

The meeting was conducted by Secretary Vernon Ellsworth.

MILITARY BASES CREATE WATER SUPPLY PROBLEM

Water supply problems anticipated throughout southern Alameda County because of the construction of mammoth military bases in the Livermore area were discussed at a meeting of the Alameda County Flood Control and Water Conservation District in Oakland Wednesday evening.

A committee comprised of directors of the Alameda County Water District, Pleasanton Township Water District, Livermore Soil Conservation group and leaders from four of the south county townships attended the meeting to express their concern.

A resolution was passed by the flood control group to make immediate study of the critical water situation in the Pleasanton basin and explore means of alleviating the situation.

The group expressed hope that a feasible water source can be secured which will supplement or replace the pumping of water from the underground strata for the use of the large military bases.

The south county representatives suggested the possibility of the construction of reservoirs or connections with the Central Valley or Hetch Hetchy water systems.

W. D. Patterson, president of the Alameda County Water District, stated: "If the Pleasanton gravel-bed reservoir is dried up in this way, we will lose not only the water run-off that would otherwise be absorbed into those gravels, but also all of the summer flow down Niles Canyon which we have spent many years and great effort to obtain."

WATER DISTRICT WILL MOVE OFFICE WEDNESDAY

Next Wednesday, Aug. 15, will see the Alameda County Water District office moved into its new quarters in the new county building on Fremont Avenue. The district has rented office space in the building.

The location in Centerville, formerly occupied by the water office, has been rented by Walter Connolly, who will move his television store there from its present location across the street.

HOME FROM HOSPITAL

Stuart Kiernan, station agent of the Southern Pacific depot in Centerville, has returned home from the Southern Pacific Hospital in San Francisco where he was treated for injuries suffered in a bus and truck collision on Fremont Avenue recently.

He will be at home almost two months before he can return to work, according to his wife.

HEADACHE REMEDY LEADS TO TROUBLE

A tale of having eaten too many aspirins, along with the usual "two beers" failed to clear David E. Martin, itinerant fruit picker, from a charge of drunken driving on his appearance in Niles Justice Court last Friday.

Martin blamed the fact that he ran into a tree with his car, backed over a curbing, sideswiped a railroad underpass and failed to heed the siren and red light of a deputy sheriff's car on the fact that he was "dopey from the aspirin." He was arrested last Saturday by Deputy Henry Vervais, who found it necessary to leap onto the runningboard of the car and turn off the ignition before he could halt Martin.

Judge E. A. Quaresma, unimpressed by the tale of woe of the defendant, pronounced him guilty and assessed a fine of \$150.

COUNTY BUILDING DEDICATION SET FOR SEPTEMBER 16

The dedication ceremonies for the new Alameda County branch building on Fremont Avenue have been set for Sunday, September 16, at 2 p.m.

The announcement was made Monday by A. E. Alameda, chairman of the Township Chamber of Commerce dedication committee comprised of Peter Juhl, Judge Allen G. Norris and Allan Walton.

It was announced that no definite program has been arranged.

SHAPING CAMPAIGN

A proposed plan for the "Buy in the Township" campaign, as requested by the Township Chamber, was presented to the Centerville Chamber by Gordon Morris. Morris was assisted in preparing the plan by Leonard Miller and George Kolberg. The outlined township booster plan was ordered submitted to the Township Chamber for study and recommendation.

Gene Manning presented a new type of Christmas street decorations with recommendation that the decorations be added to those now owned by the community. The sample was turned over to the committee of Harry Weber, Dallas Paul and Louis Cardozo. They were instructed to make a survey of the merchants during the week and report at next week's meeting.

CAPTAIN INTRODUCED

Judge Allen G. Norris thanked the Chamber for its endorsement of the proposal to retain two Justice Courts in the township.

A. E. Alameda introduced Captain Richard E. Condon, officer in charge of the new sheriff's substation here.

Condon told the group that the township would have twice as much police service as in the past.

TEEN-AGERS INVITED TO IRVINGTON PARTY

Teen-agers of Washington Township are in for a rollicking good time this next Wednesday, August 15, for the Irvington Community Center is throwing its doors open again for a teen-age fun-fest. All teen-agers are welcome, and—very important to teen-agers—there is no admission fee!

That night will see the initiation of a new pool table. Other games will include shuffleboard and ping-pong. Dancing will also comprise part of the entertainment, so there will be fun for all—and all for fun. Refreshments, favors, and other surprises will keep everybody happy from 8 o'clock to 11 p.m. James McLaughlin, the director, will be in charge.

The board of directors of the youth recreation group is sponsoring the event. They include Mr. and Mrs. George Scamman, Mr. and Mrs. R. A. Griffin, Gus Robertson, Mrs. Al Peixoto and Mrs. Earl Mackintosh.

MAIL MESSENGER NAMED AT NEWARK

William Jones of Newark, 28-year-old World War II veteran, has been named mail messenger at the Newark post office, according to Postmaster Julia Harris. Jones succeeds Joseph L. Martin, veteran of World War I, who has resigned after holding the position for the past 20 years.

PROPERTY OWNERS SPEAK MINDS ON SEWER CONTRACT

The Niles Justice Court was not big enough to hold all the objectors and the curious who turned out to a hearing called by the directors of the Union Sanitary District Tuesday evening.

P. & J. Artukovich, who sewer-ed the property along Fremont and into Canyon Heights, left the most disgruntled group of home owners that has been seen in Washington Township in many a day.

According to complaints voiced at the meeting, they did just about everything to annoy a home owner that could be done.

They left the streets in the Ellsworth Orchard and Canyon Heights in terrible condition.

They tore down fences.

They left chuck holes in which cars were damaged.

They dug out surveyors monuments and stakes.

They left piles of dirt and rock on private property.

They created a dust and mud situation that wrought havoc with housewives' temperaments.

In summary, it seemed obvious from sentiments expressed at Tuesday's meeting that they made an awful mess of things.

However, President George Coit stated that the board of the Union Sanitary District will investigate various grievances and do everything possible to correct the situation.

Harry Goodridge, engineer for the district, stated that by law the district was compelled to give the contract to the lowest bidder, which was the Artukovich company. He stated, though, that since the job was attended with such bad experience, the company would never again receive a contract with this district.

President Coit explained that property owners will soon receive statements of amounts owing on special assessments for the sewer, and pointed out the saving possible by cash settlement of these accounts before special assessment bonds are issued.

CONNOLLY'S GRAND PRIZE CONTEST UNDER WAY TODAY

Some lucky resident in Washington Township will win a new \$479.95 10.2 cubic foot 1951 General Electric two-door combination refrigerator as the grand prize in the local General Electric Contest which is announced today in this paper. This is strictly a local contest and is being sponsored by Walter Connolly, Irvington furniture and appliance dealer.

In addition to the grand prize, \$10,000 in valuable credit certificates will be awarded to other prize winners.

No purchase is necessary to enter. It's an easy, interesting, educational contest which everyone has an equal chance to win. Each person is allowed but one entry.

The contest is based on a series of household scenes showing life in the days of our grandparents.

Contestants are to list the electrical household appliances that are used today in place of the old appliances used by the people in the contest illustration. This list, accompanied by the properly filled out coupon in today's paper, is to be sent to Walter Connolly's, Irvington, Calif.

Contributor of the nearest correct list, with the earliest postmark, shall be declared the winner. All entries must be sent through the mail.

The contest closes at Midnight, August 18. Entries postmarked after this date will not be considered.

LIONS CLUB BASEBALL NIGHT TUESDAY

Tuesday will be baseball night for the Centerville Lions and their families.

The group will assemble at the International Kitchen at 6 p.m. for dinner and will depart via chartered buses at 7 p.m. for Oakland where they will attend the Oaks-Hollywood baseball game.

Directors Vote to Buy Local Hospital Site

The directors of the Washington Township Hospital District adopted a resolution at their meeting Wednesday evening to purchase a 10-acre parcel of land as a future hospital site.

The site is located on Santos Road and is a portion of the Stivers Ranch. The parcel of land was recently offered to the district by Edward and Anne Stivers for \$2,000 per acre.

A representative of the State Department of Public Health recently inspected the site and announced it satisfactory for hospital facilities and stated that it would be acceptable by the state and federal agencies if the district's application should be approved for a grant under the hospital construction plan.

MANY SITES OFFERED

The district has been offered several parcels of land at prices ranging from \$1280 to \$5000 per acre.

Factors which the state pointed out should be considered before a site was selected included accessibility to highways, without being directly on a major heavily traveled highway; as far removed as possible from railroads; not near any playground and where all utilities are available.

The hospital district board members were in accord that the Stivers site met all of the qualifications to a greater degree and was more centrally located than any of the other sites offered.

L. S. Whitaker, board president, pointed out to the other directors that although the Stivers site has been offered to the district, the land is held as an undivided estate and that three of the approximately ten heirs, representing three-fourths of the estate, oppose the sale of the land.

TAX MONEY TO BE USED

For that reason another resolution was adopted, stating "That if an amicable purchase cannot be made the attorney for the hospital district is authorized to begin condemnation proceedings to obtain the property."

The purchase will be made from tax money collected by the district since it was legally formed in June of 1948.

Members of the board present at Wednesday's meeting were Whitaker, Fred Melhase, M. F. Silva and Allan Walton and Secretary E. E. Enos.

FLASHING SIGNALS ARE INSTALLED ON ALL SCHOOL BUSES

The school buses operated by the local schools will have a "new look" when they take to the highways next month and motorists will do well to learn how the new look affects them.

Added to the buses this year are four flashing red lights, two on the front and two on the rear of the bus.

A new amendment to the state law requires that any school bus equipped with school bus signs, either publicly or privately owned, shall be equipped with a flashing red light signal system mounted on the front and rear of the bus.

The flashing red signals are to be operated only when children are unloading from the bus to cross a street or when the bus is stopped for the purpose of loading children who must cross a street or highway to board the bus.

The flashing signals shall not be operated at any other times.

The law further states "... All drivers of other vehicles upon meeting or overtaking from either direction any school bus which has stopped on a street or highway for the purpose of receiving or discharging school children and while displaying a flashing red light signal shall bring the vehicle to a stop immediately and shall not proceed past the bus until the red flashing signal ceases operation."

Bus drivers are cautioned not to use the flashing signals unless the children must cross the street or highway and traffic is not required to halt unless the signals are in operation.

SOFTBALL LEAGUE 'APPRECIATION NIGHT' AUGUST 16

The Washington Township Softball Association will sponsor a "Players Appreciation Night" on Thursday, August 16, at an exhibition game to be played at the high school diamond.

The announcement was made this week by J. R. "Pete" Nunes, president of the Association.

Nunes urged all sport fans to plan to attend the affair, both as an expression of appreciation for the fine games the players of the seven teams stage three nights each week during the summer months, and to enjoy an outstanding softball game.

The special exhibition game has been scheduled between Kleine's of Centerville, undefeated in league play this season, and the powerful Hunt's Food team from Hayward.

An admission of 50 cents will be charged, the proceeds to be used to help finance a banquet for the seven local teams and their sponsors.

"We residents of Washington Township are fortunate in having so many outstanding athletes who are willing to give up so many of their evenings to provide us with entertainment during the summer months," Nunes said. "This is an opportunity for all of us to express our gratitude by our attendance at this benefit 'Players Appreciation Night'."

DONATIONS SOUGHT FOR FLOOD VICTIMS

Leroy Broun, Centerville, Washington Township Red Cross chairman, renewed his appeal today for contributions to the Red Cross from residents of this area for the relief of the flood victims of the midwest.

"The Red Cross is operating 84 shelters for 21,920 persons; 43,284 are being fed daily; over 200 trained disaster workers have been sent to the stricken area and it is estimated that at least 18,000 families will require Red Cross rehabilitation assistance," Broun said.

Broun asked that the localities willing to contribute funds for the relief of the flood victims mail their contributions to The Red Cross, Centerville.

RAY'S MARKET, YMI VIE FOR SOFTBALL PLAYOFF TROPHY

The softball club of Ray's Market of Decoto and the Y.M.I. club of Mission San Jose emerged the victors in the preliminary round of the Washington Township Softball Association playoff this week and will be matched against each other in a series to start tonight (Friday).

Both teams won the opening games of their two-out-of-three playoffs last Friday, Ray's defeating L & V 5 to 4 and Y.M.I. gaining a one-point margin over Wedgewood.

Monday evening the tables were turned and Wedgewood fought their way to a 5-4 win and L & V kept the series alive by dumping Ray's Market 10 to 6.

Wednesday evening Ray's club won their way into the finals by outpointing L & V 4 to 3 and Y.M.I. won over Wedgewood 8 to 7.

The final playoffs open at 8 o'clock tonight (Friday) with Ray's and Y.M.I. vying for the President's trophy.

Monday the Kleine club will play the curtain raiser against an all-star team prior to the second round of the final series.

The play-offs will continue until one team wins three out of five.

On Thursday evening Kleine's will meet the powerful Hunt's Cannery Club of Hayward at a special "Players Appreciation Night" with the proceeds to be used to stage a banquet for all the league players and their sponsors.

BEARCATS BLANKED BY VISITING NINE

By TONY ROGERS

The Centerville Bearcats suffered their first shutout this season, in sixteen starts, last Sunday on the Centerville diamond, bowing 3 to 0 to the Benicia Merchants.

Bud Marshall, Bearcat center-fielder, got the only two hits collected by the local club but was unable to advance beyond second base. Pretto, the visiting chucker, allowed but two hits, walked five and collected but one strikeout. He faced but 28 batters in the nine innings.

Tony Dutra pitched eight-hit ball for the Cats and allowed but one earned run. He struck out seven Benicia batters and gave up no charity bases on balls.

Both teams executed a double play during the nine-inning battle. The box score:

Left to right are Carl Christensen, Irvington, Loren Marriott, Centerville, and Walter Zbyzenski, judges, and Connolly.

REBEKAH NEWS

The next regular meeting of Silver Star Rebekah Lodge, I.O. O.F., will be held Friday evening, August 17, at Odd Fellows Hall, Irvington.

After a short business meeting, initiatory ceremonies will be held for a class of candidates, according to Edna Hescher, noble grand. The committee in charge of the refreshments for the evening will be Rose Stearns, chairman, Lizzie Dickerson, Farrell Pugmire, Minnie Clay and Clara Williams. Justine Adams and Anna Van Buskirk will have charge of the decorations.

Mrs. Hescher wishes to remind the officers that practice for the above ceremony will be held on Monday evening, August 13, at the hall in Irvington, at 7:30 p.m.

California is the largest producer of diatomite in the world.

FOUR TOWNSHIP YOUTHS JOIN NAVY

Four Washington Township youths have recently enlisted in the U. S. Navy through the recruiting station, City Hall, San Leandro, and are now undergoing recruit training at the Naval Training Center at San Diego.

The recruits are: Daniel M. Duran, son of Mrs. Manuella Duran, Decoto; Leopold Duron Jr., son of Mr. and Mrs. Leopold Duron of Decoto; Elias Muela, son of Mrs. Nellie Muela, Niles, and Peter J. Triana, son of Mr. and Mrs. Pete Triana, Decoto.

The recruiting office also announced the extension until September 1 of the ruling which allows men who have received pre-induction physical notices from their draft boards to enlist in the navy.

ANNUAL BEGONIA SHOW AUG. 11-12

The Southern Alameda County Branch of the American Begonia Society will hold its sixth annual Begonia and Shade Plant Show on August 11 and 12 in the Veterans building in Hayward. There will be no admission charge.

Two trophies will be awarded, the DeBernardi trophy, donated by Mr. P. J. DeBernardi, which will be a sweepstakes trophy for members only, and the Bayliss trophy, donated by Mrs. Dorothy Bayliss, president of the Southern Alameda County Branch, for the best tuberous begonia display by any amateur.

The show will be open from 1 to 10 p.m. Saturday, and 10 a.m. to 10 p.m. Sunday. Awards will be given at 8 p.m. Sunday.

Saturday at 4 p.m. Mrs. Marie Reed will give a demonstration on gift wrapping. At 8 p.m. a colored movie will be shown, entitled "How to Grow Beautiful Fuchsias and Begonias."

Sunday at 3:15 p.m. Mrs. Mae Suttle, San Lorenzo night school teacher in flower arrangements, will give a demonstration on arrangements.

CAMPING PROGRAM SET FOR ST. JAMES

Services for St. James Episcopal Church in Centerville for the coming week will include the following: Sunday, August 12, Holy Communion, 8 a.m.; church school, 9:45 a.m.; morning prayer and sermon at 11.

Monday, August 13, 7:30 p.m., vestry meeting; Thursday, August 16, 7:30 p.m., choir practice. A diocesan family conference will be held from August 19-25 at Camp Tolawa near Memorial Park in San Mateo County. There will be classes in the morning and recreation in the afternoon and evening, with short services morning and night, with the children's program independent of the adults.

RESOLUTION NO. 1
RESOLUTION AND NOTICE OF INTENTION TO DEDICATE STORM DRAIN EASEMENT TO COUNTY OF ALAMEDA ACROSS LAND OWNED BY NILES SCHOOL DISTRICT

WHEREAS, the County of Alameda, a political subdivision of the State of California, proposes to locate, construct and maintain a storm drain in and across the real property hereinafter described belonging to the Niles School District of Alameda County, State of California; and

WHEREAS, the dedication to the said County of Alameda of an easement and right-of-way and across said real property is necessary to the location, construction and maintenance therein by said county of a storm drain, and the said county has requested that such easement and right-of-way be dedicated to it for such purpose;

NOW, THEREFORE, BE IT RESOLVED that this Board intends and hereby declares its intention, to dedicate to said County of Alameda an easement and right-of-way in and across the following described real property for the purpose of locating, constructing and maintaining therein a storm drain, to wit:

All that real property situated in the Township of Washington, County of Alameda, State of California, described as follows:

A strip of land 6 feet in width and being 3 feet on each side of a center line more particularly described as follows:

COMMENCING at a point on the direct production southerly of the southeasterly line of County Road No. 7066, commonly known as School Street, distant thereon South 15° 54' 00" West (the bearing of said southeasterly line being taken as South 15° 54' 00" West for the purpose of making this description), 127.50 feet from the intersection thereof with the northeasterly line of Block B, as said block is delineated and so designated on that certain map entitled "School Tract Niles Washington Tp. Alameda Co. Cal.", etc., filed June 18, 1912 in Book 26 of Maps at page 99 thereof, Records of Alameda County, California, and running thence South 80° 33' 55" East, 279.78 feet to a point on the direct production southerly of the southeasterly line of the aforesaid Block B distant thereon South 15° 54' 00" West, 14.68 feet from the southeasterly corner of said Block B.

AND BE IT FURTHER RESOLVED that this Board will on the 18th day of August, 1951 at its regular place of meeting in the Niles Grammar School Building located at 2nd Street and School Street in the Town of Niles, County of Alameda, State of California, in public meeting at the hour of 7:30 o'clock P.M. hold a public hearing upon the question of dedicating said easement and right-of-way in and across said real property to the said County of Alameda for the aforesaid purpose; and

BE IT FURTHER RESOLVED that no vote of the electors of said school district shall first be taken before such dedication is made; and

BE IT FURTHER RESOLVED that said easement and right-of-way will be dedicated without consideration; and

BE IT FURTHER RESOLVED that at said time and place such public hearing shall be held and that at said time and place or at any other meeting of this Board held within sixty (60) days thereafter this Board will adopt a resolution by a two-thirds vote of all of its members authorizing and directing the Clerk of this board to execute a deed of dedication and grant of said easement and right-of-way and to deliver the same to the said County of Alameda, a political subdivision of the State of California provided, however, that if a petition protesting against the proposed dedication signed by at least ten per cent of the qualified electors of the district as shown by the affidavit of one of the petitioners be filed with this Board at the meeting held at the time and place hereinabove fixed, this Board before taking any further action on the proposed dedication, will submit the question of whether the proposed dedication should be made to the Superintendent of Schools of Alameda County whose decision shall be final; and

BE IT FURTHER RESOLVED that the Clerk of this Board be and he is hereby directed to post or cause to be posted copies of this resolution signed by at least a ma-

Newark Couple Return from East

Mr. and Mrs. Fred Muller are back home in Newark again after a four months and three weeks visit in the eastern part of our country. They made Toledo, Ohio, their headquarters for a great part of their visit as their daughter, who lives there, was very ill at the time and they felt they were needed, even though they weren't allowed to see her in the hospital.

After she was on the road to recovery they went to Niagara Falls and up into Toronto, and thence back to Detroit where they stayed for two weeks.

Enroute home they stayed at Scottsboro, Alabama, with relatives whom they had never before seen and had a delightful visit there. They came back to Newark via the southern route, and are now resting up from what proved to be quite a tiring trip, even though it was—with the exception of their daughter's illness—a very pleasant one.

Returns from East

Mrs. Christine Hygelund of Centerville has returned home from a wonderful cross-country trip that took her as far as Washington, D.C. Traveling with members of the Adult Education Center of San Jose State College, she was one of 37 passengers on a bus chartered by the group for the trip. Inasmuch as the group had studied the country through which they traveled by hearing lectures and viewing slides, the trip was far more interesting than it otherwise might have been.

Move to Newark

Mr. and Mrs. Eugene M. Carroll of San Francisco have purchased a home in Newark at 831 Magnolia and will move this week, according to E. B. Hodges, Centerville realtor. Mr. Carroll is employed on the Dumbarton Bridge.

At Tahoe

Mr. and Mrs. William Pine of Niles and Mr. and Mrs. Vernon Vargus of Warm Springs are up taking in the sights around Lake Tahoe this week.

At Barbecue

Mr. and Mrs. Bob Moore and daughter, Penny, were guests of the Gerald Meekins of Centerville at a Sunday barbecue party.

Say you saw it In The Register.

Christening Ceremony

Daniel Joseph Escobar, two weeks old son of Mr. and Mrs. David Escobar of Mission San Jose, was christened last Sunday at St. Joseph's Church. Mr. and Mrs. Joseph Faria were the godparents.

The baby, who was christened on his mother's birthday, wore the christening gown which his father had worn, thus marking the sixth time that it had been worn in the family.

After the ceremony, the two couples had dinner at the International Kitchen.

Off to West Indies

Dr. and Mrs. Eugene Grau and daughter, Betty, are leaving Monday for a 17-day trip to the West Indies. They will make the tour by plane. Mrs. Grau, well-known local artist, expects to get some good sketching material on the trip.

Adams Move

Mr. and Mrs. W. C. Adams of Newark have sold their home in Newark to the Jacob Arnolds of Niles and moved to the Salih apartments in Centerville. The transaction was culminated by the E. B. Hodges realty firm of Centerville.

To Yosemite

Mr. and Mrs. Joseph R. Nunes of Centerville, accompanied by Mrs. Mary R. Nunes of Newark, will spend this week-end at Yosemite. At Merced they will stop and pick up Mrs. A. Turner, who will motor on to Yosemite with them.

CIVILIAN AIRMEN MUST REGISTER

A warning that aircraft and engine mechanics and all other holders of civil aeronautics administration certificates and ratings as well as pilots, will be required to have national emergency identification cards after September 1, was issued this week by Fred B. McCormac, chairman of the Oakland Chamber of Commerce aviation committee.

The Oakland Chamber of Commerce aviation committee has arranged for on-the-spot issuance of the identification cards at its offices, 427 13th Street, today (Friday) between the hours of 11 a.m. and 3 p.m.

"Contrary to the inferences of publicity emanating from Washington, which indicated that only private pilots are affected, every air and ground holder of a CAA certificate or rating must possess a national emergency identification card after September 1 or face the danger of being barred from engaging in aeronautic activity, either flight or ground," McCormac said.

"Persons in the following categories must apply for the cards if they wish to continue their aeronautical activity: All grades of pilots, including student, and military pilots who desire to engage in civilian flying; flight radio operators, navigators, engineers, holders of air transport ratings, aircraft and engine mechanics, parachute technicians, air traffic control operators, dispatchers and both flight and ground instructors.

Applicants were advised to provide the following items:

1. Two identical photographs, approximately one by one inch in size, full face, head only, taken within twelve month preceding rate of application.
2. Proof of identification, such as licenses, or combinations of identification cards and documents which will identify applicant.
3. Proof of citizenship, place and date of birth, such as birth certificate, baptismal certificate, passport or an airman identification card issued by CAA during World War II.
4. An airman certificate.

Visiting Here

Miss Anne Howe, former Niles Librarian, was in Niles Saturday calling on friends here. Unfortunately she was not enjoying her trip too much as she had been thrown from a horse and was suffering a back injury. She is now in the library at Mather Field, near Sacramento.

Home from Hospital

Mr. Nelson Harding is expected home today from O'Connor Hospital, having been confined there for the past ten days following an operation.

In Palo Alto

Captain and Mrs. Clyde Voorhees of Oak Street, Centerville, spent Tuesday visiting friends in Palo Alto, Mr. and Mrs. John Williams.

NATIVE SONS PLAN ADMISSION DAY FETE

The Native Daughters and the Native Sons of the Golden West of Alameda County are sponsoring an Admission Day celebration in the city of Oakland, September 9 and 10. The celebration will be started with a civic banquet, with entertainment and dancing to be held in the Leamington Hotel on the evening of September 8.

September 9 at 8 p.m., the grand officers of the Native Sons will dedicate the Joseph R. Knowland Arboretum and state park which is located at 98th avenue and Mountain Boulevard. Miss Jewel McSweeney, grand president of the Native Daughters, will also be present at the ceremonies. Federal, state and county officials will also be in attendance.

On the morning of September 10 a mammoth parade will be held at 9:30. The military has been invited to lead the parade. Invitations have been extended to fraternal and patriotic groups to participate. Marching units of Native Daughters and Native Sons from all the cities and counties will assist with the celebration.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

VACATION AT ORANGE COVE

Mr. and Mrs. Dan B. Hill and sons, DeWayne, James Ray and Harold, are off on a week's vacation at Orange Cove visiting relatives.

BIRTHDAY PARTY

Saturday evening at the home

of Mr. and Mrs. Kim McBride, their son, Mickey, celebrated his fourth birthday with a nice dinner party in his honor with cake and all the trimmings for Nana and Pa Santos, great-grandmother Dutra of Irvington; Elva, Pete and Carole Brayovich of San Jose, Evelyn and Linda Harvey, Mervin and Barbara Santos of Mission, and Craig and Diane Konnerth of Irvington. He received a number of very nice gifts.

BACK TO WORK

Frank Ferreira, who has been home from his position with the P. G. and E. at Williams, has returned to the job after a four weeks' vacation.

RELATIVES VISIT

Mrs. Rose Recends, librarian, entertained a number of relatives over the week-end at her home on Bryant Street. They were Mr. and Mrs. Fred Howard and daughters, Freddie and Hope and Captain and Mrs. A. Schaeffer and son, Timothy, all of Sacramento; Mrs. Mary Hassler of Oakland, and Mrs. Thelma Howard of Colusa.

IN SAN JOSE

Miss Diane Santos, daughter of Mrs. Ruth Santos of the Mission, is spending a week in San Jose at the home of her paternal grandmother, Mrs. Amelia Santos of Court Street.

SUNDAY VISITORS

Mr. and Mrs. James Norris and family and his brother, Willie, spent Sunday at the home of Mrs. Mamie Callahan, Mrs. Norris' grandmother, and also a few hours

at the home of Mr. and Mrs. Daniel Cross and family on the Durham Road.

CARPENTERS' PICNIC

The Carpenters Union of the East Bay held their annual picnic at Linda Vista Park on Sunday with the largest attendance of any Sunday at the park. They put on a very enjoyable show on a portable stage. The acts, consisting of Swiss yodelers and singers and magician, acts and several dance teams, was enjoyed by everyone.

AT TALLENT HOME

Mrs. A. Fulton has been spending several weeks at the home of Mr. and Mrs. John Tallent Sr.

TO SANTA CRUZ

Mrs. E. McEwain of Sanger who has been a summer guest here at the home of Mr. and Mrs. George Murray, has gone to Santa Cruz for a week to visit other friends.

HAWAII HOUSE GUEST

This past week-end Mr. and Mrs. Leslie Callahan and family had as their house guests from Hawaii Mrs. Hilda DeRego. She has enjoyed her long stay in California while visiting with other members of her family and also her trips to many points of interest including a nice vacation in Yosemite. She will be returning soon to her home in the islands.

COUNTY FARM BUREAU PICNIC SET FOR AUG. 19

The annual Alameda County Farm Bureau picnic is to be held Sunday, August 19, at Linda Vista Park, Mission San Jose, according to an announcement this week by President Rasmus Jensen.

Morning activities, beginning at 10, will include baseball, folk dancing and square dancing. Following the picnic lunch the group will spend the remainder of the day playing games and dancing.

Substituting

During Mrs. Kathryn Meyer's vacation, Mrs. Malcolm Cole is in the office of the Citizen's Utilities Company in Niles.

Safe Braking Margin Varies

ICE WET DRY

Importance of driving in accordance with highway conditions is illustrated by this diagrammatic view prepared by Chevrolet in the interest of traffic safety. Standard braking tables reveal 190 feet is required for a stop at 50 miles an hour, allowing three-quarters of a second for a driver's reaction to an emergency. When the pavement is wet, however, the distance increases to 258 feet. On icy pavement 472 feet will be covered before a car brakes to a complete stop.

I said

"Mary's getting Married!"

Don't depend on word of mouth to spread the happy news. We've a better plan!

Whether you plan to run out on all the fuss and tell it to a justice of the peace... or have all the trimmings from cascading veil to bride's bouquet, sending announcements is the correct thing to do.

Quality announcements, wedding invitations, reception cards and informals await you here, at modest cost.

Strathmore quality paper used exclusively, quick delivery assured. Won't you come by and browse through our handsome sample book?

IT'S A GIFT!

A copy of the Bride's booklet contains a wealth of information about wedding etiquette... Want you come in for it soon?

SON OF LOCAL TEACHERS WILL TAKE A TEACHER AS HIS BRIDE ON AUGUST 25

A romance that began when two young people were thrown together when both were assisting relatives in moving into adjoining apartments will culminate in wedding bells on August 25.

Miss Edith McDowell, who assisted her sister and husband, Mr. and Mrs. Carl Miller, move into one of the Mette apartments in Centerville, met William Mette Jr., who was engaged at the same time in similar operations for his parents.

Romance blossomed over the packing boxes, and the two quickly realized that they wouldn't be happy until they were both moving into an apartment of their own.

A pre-bridal celebration party was held last Sunday at the summer home in Paradise Park of the William Mettes. Those present included Miss McDowell's mother, Mrs. Genevieve McDowell of Phoenix, Arizona; the William Mettes Sr., Mr. and Mrs. Carl Miller, Dr.

and Mrs. Frank Rossman (Mrs. Rossman is another sister of Miss McDowell's), Mr. and Mrs. Sam Scott and daughter, Emily Jane, and son, Bob; Mr. and Mrs. John Rice, and Mr. and Mrs. Harlan Heath. Invited but unable to attend were Mr. and Mrs. Roger Waite. Mr. Waite will be an usher in the wedding party.

Others in the wedding party will include Mrs. Heath, matron of honor; the bride-elect's two sisters, Mrs. Miller and Mrs. Rossman, bridesmaids; Mr. Rice, best man; and Bob Scott, an usher.

Miss McDowell, a graduate of San Jose State, has accepted a teaching position in Campbell for next fall, so the couple will make their home there. Mr. Mette, who is also studying to be a teacher, has one more year before com-

pleting his studies at San Jose State. He is the son of two teachers: Mrs. Mette is principal at the Russell City School, and his father is an instructor at Washington High.

The wedding will take place at St. James Episcopal Church in Centerville, with a reception following at the Country Club.

Return from River

Mr. and Mrs. A. W. Gorman and daughter, Suzanne, have returned to Niles after two very pleasant weeks spent vacationing at the Russian River. With them was Donna Moore, daughter of Mr. and Mrs. Robert Moore of Centerville.

See you saw it in The Register.

Seventh Birthday

Mary Ann Gravestock, having had a seventh birthday, is now the proud possessor of a bicycle, which is her pride and joy. On Monday, her birthday, her mother, Mrs. Warren Gravestock, had a party for her. The following guests were invited: Jill and Jeff Voorhees, Susan and Barbara Taylor, Sue and Carol Harvey, Cynthia Goodwin, Sandra Searles, Patricia Carter, Patricia Mowell and Bruce MacGregor.

Visit Father

Guests at the E. B. Hodges home in Centerville this week are his daughter and family, Mr. and Mrs. George Fitzsimons and four children of San Jose.

Bridal Shower for Miss Barbara Ponti

A surprise bridal shower for Miss Barbara Ponti was given by her sister, Mrs. Anna Padgett of San Francisco, at the home of their parents, Mr. and Mrs. F. Ponti of Centerville, last Sunday. Miss Ponti will wed Mr. Ralph Caminada, also of Centerville, on September 2, 1951, at the Holy Ghost Church in Centerville.

Those present at the shower included: Mrs. Virginia Pollesel of Woodside, Miss Ada Orochi of Centerville, Mrs. Bessie Borghi of Decoto, Mrs. L. Ghigo of Niles, Mrs. Carrie Ratto of Centerville, Mrs. A. Ferrante of Niles, Mrs. Matilda Enos of Centerville, Mrs. Rina Tacchella and daughter Emily of Alvarado, Mrs. Florence Ceruti of Alvarado, Mrs. Teodora Accinelli of Alvarado, Mrs. Grace Caminada of Decoto, Mrs. Rose Peixotto of Centerville, Mrs. Jack Falletti of Decoto, Mrs. Ponti, the mother of the bride-to-be, and Mrs. Padgett, hostess.

Many lovely gifts were received by the very surprised bride-to-be. Refreshments were served to the guests later in the afternoon.

Surprise Party

Mr. and Mrs. John Santos of Norris Road, Centerville, experienced a complete surprise last Sunday when their friends arrived unexpectedly to initiate the new barbecue and outdoor living-room just completed at the Santos home. Refreshments were supplied by the guests, who included: Mr. and Mrs. Mel Silva, Mr. and Mrs. Lee Christensen, Mr. and Mrs. Clarence Payton, Mr. and Mrs. Bill Silva, Mr. and Mrs. Bob Rogers, Mr. John Amaral, Virginia Alias, and Mr. and Mrs. Edward Harig.

Home on Leave

John Meeker, who graduated from boot camp school at San Diego, is home on leave for two weeks and is very busy renewing his old friendships here in Niles. His mother and father, Mr. and Mrs. E. D. Meeker, motored down for the graduation, and John returned home with them. When he returns to San Diego he will enter the personnel men's school at the same base, for a further training period of ten weeks.

Hollywood Infant Christened Here

Mr. and Mrs. Lincoln D'Amario of Hollywood arrived in Centerville Sunday with their two months old daughter, Rebecca Lee, for the purpose of having the baby christened. The ceremony took place Tuesday morning at Holy Ghost Church, Centerville, with Mr. and Mrs. Harold Garcia of Centerville standing up as godparents.

Mr. and Mrs. Garcia (Mrs. D'Amario's aunt and uncle) had motored to Hollywood and come back with the D'Amarios. The day of the christening the Garcias hosted a dinner party for members of the family including the baby's grandparents, Mr. and Mrs. Wayne Day, and the great-grandparents, Mr. and Mrs. B. O. Day. The D'Amarios will be here for a couple of weeks.

Twin Sisters Have Babies

Twin sisters are announcing the birth of babies this week. Mrs. Luther Hudson (Waunita LeCount) had a boy, and her sister, Mrs. Joe Garcia (Wanda LeCount) had a girl. Thus there is considerable excitement in the whole LeCount family.

This was Mrs. Hudson's first child. He has been named Allen LeRoy and weighed six pounds and 14 ounces. His little cousin, named Stephanie Jo, bested him by almost a pound, weighing seven pounds and ten ounces. Stephanie Jo has a five-year-old sister.

Second Son

Mr. and Mrs. Robert Woodward of Irvington are announcing the birth of their second son, Robert Lee, who was born at San Jose Hospital Wednesday. The baby weighed eight pounds and five ounces. He has an older brother, William Paul, who is two and a half years old.

Trip to the North

Mr. and Mrs. Earl Mackintosh and family will leave this weekend for a few days vacation in the north. They will stop off at Sacramento to visit friends, and will go on to Auburn to visit the George Coefields, former township residents, and from there will go to Reno.

DEER SEASON IN COASTAL COUNTIES OPENS SATURDAY

When the first of two California deer hunting seasons opens at one-half hour before sunrise, Saturday, August 11, prospects for bagging a buck or two will range from excellent to very poor.

The advance word on expected hunting conditions comes from the state's corps of fish and game wardens. In their annual pre-season predictions, the men in green put portions of Mendocino and Stanislaus Counties in the "excellent" class, while portions of Los Angeles, Mendocino, and Monterey Counties qualify for "poor" ratings when the season opens.

Two bucks is the seasonal bag limit in the central and south coastal regions, which close to hunting September 16.

The wardens were unanimous in their warnings about extreme fire hazards and the necessity for obtaining permission to hunt on private property.

By counties, the August 11 deer hunting prospects:

Alameda—Fair. High fire hazard. Much land posted.

Contra Costa—Good. Many areas closed to hunting by landowners.

Fresno—Fair. Prospects better in Coalinga area.

Glenn—Good. Best bets: Mendocino National Forest, Black Butte, Grindstone Canyon and Sheetiron Mountain areas.

Kern—Fair. Best in Frazier Mountain-Lebec area and opened areas of Los Padres Forest.

Lake—Fair. Deer scarce but in top condition. Best bets: Elk, Hull, Goat, and Cow Mountain areas.

Mendocino—Excellent to poor. Best bets: west of Thorn and Usal Road area, and from Four

STATE OF CALIFORNIA
DEPARTMENT OF NATURAL RESOURCES
DIVISION OF FISH AND GAME

Corners along Whale Gulch. Excellent in Anderson Valley area. Generally poor in northern portion of county.

Monterey—Good. Many bucks in south county, with northern areas poor to fair hunting. Good along coast, in Carmel Valley and Chews Ridge area. Liggett military reservation closed.

Napa—Good. Most deer hunting land closed to public.

Orange—Fair. Most land posted or closed because of fire hazard. San Benito—Good. Deer abundant and in good shape.

San Joaquin—Good. Very little open area. Most land posted.

Santa Clara—Fair. Deer in good shape. Normal season expected.

Santa Cruz—Fair. County has closed 60 square miles.

Sonoma—Good. Much posted property. High fire hazard.

MARTHA RAYE TO STAR IN MUSICAL

For the first time in six years California theatergoers will have the opportunity to see in person the fabulous singing comedienne, Martha Raye, who will star in the title role of "Annie Get Your Gun" at the Opera House, San Francisco, which Paul Posz will present for two weeks beginning Monday, August 13.

Miss Raye's last appearance on the stage on the West Coast was in the hilarious revue, "Fun Time." That was in 1945. Since then Miss Raye has starred in practically all of America's and Europe's most celebrated night clubs.

Also starring in this great Irving

Berlin musical will be Ray Middleton who left his co-starring role in the New York cast of "South Pacific," opposite Mary Martin, to come to the Opera House to recreate his original role of Frank Butler in "Annie Get Your Gun." In the Broadway production of "Annie," Middleton played opposite Ethel Merman.

"Annie Get Your Gun" is the fifth and final Gene Mann musical production which Paul Posz will present this season at the Opera House.

Four transcontinental, trans-oceanic and international airlines converge in San Francisco.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

AT HIDDEN VALLEY

Enjoying a very nice day at the Hidden Valley Ranch last Sunday were Mr. and Mrs. Joseph Seoane Jr. and children, Richard and Janet and Mr. and Mrs. Kenneth Garcia and daughters, Ken-

Ita and Brenda.

Also see there were Mr. and Mrs. Al Rodriguez and son of Decoto, Arnold Bassignani of Centerville and Mr. and Mrs. Eddie Fantuzzi and son of Alviso.

VACATIONING
Coming home after a very pleasant vacation are the Tony Bettencourts of Railroad Avenue who motored to Southern California as far south as Tia Juana. They both enjoyed the scenery very much. Also home after a week's vacation are Mr. and Mrs. Manuel Seoane and children who spent the week at Yosemite.

A SURPRISE
Your reporter was surprised last Saturday afternoon to receive a call from Mrs. Frank Scorpiniti who recently moved to Des Moines, Iowa. Margaret had to return to San Jose, the home of her family, to attend the funeral services for her father, Mr. John Lazzarino, who passed away last Wednesday, Saturday evening, Margaret Williams, Mrs. Florence Wallace, my children and myself, motored to San Jose to visit Frank and Margaret who wish they were back to the good old town of Decoto.

ON LEAVE
Home on leave is that swell kid, Rex Rowlett, who will be here until Saturday. Rex has been stationed at the Aberdeen Proving Grounds in the east. He will return to New Jersey and then be sent to Germany. Nice to see you around, Rex, and have a pleasant trip abroad.

A CHANGE
Mrs. Ethel Avilla, Decoto librarian, will be in Castro Valley for three weeks at the library there. Mrs. Lester Watkins will be at the library here while Ethel is away.

BON VOYAGE
A group of friends and the family waved bon voyage to Helen Faletti who sailed last Saturday evening to Honolulu for a wonderful three weeks vacation.

VISITORS
Mr. and Mrs. J. J. Cordeiro were visited by Mrs. Gladys Lavern of San Francisco last Sunday. Also visitors on that day were Mr. and Mrs. Joseph Oliveira of Alameda.

AT ELDERBERRY
Mrs. Joseph Seoane and children and Mrs. Kenneth Garcia and daughters spent a very nice day at Elderberry Park one day last week. The children enjoyed them-

selves very much at the children's pool there.

HUGE SUCCESS
Because of the publicity given the V.F.W. Paul Rivers Washington Township Post by Publicity Chairman Al Leonard of Valle Vista and his committee and of the hard work of picnic chairman Ray Diaz of Alvarado and his committee, the second annual picnic of the post held at the Hidden Valley Ranch last Sunday was a huge success. A steak barbecue was given and the younger folks enjoyed swimming while the others played cards. A good time was had by all.

TO PACIFIC GROVE
Mr. and Mrs. Eddie Paniagua and daughter, Ida, motored to Pacific Grove last week-end where Ida danced for the Veterans of Foreign Wars in Monterey.

HINTS FOR HOMEMAKERS

FOLLOW EASY RULES FOR BLANKET DRYING

by the
General Electric Consumers Institute

Let's hope you've chosen the right kind of a day for washing blankets, if you're planning to dry them outdoors. The ideal weather report would be "warm and breezy, with the sun not too hot and temperatures not falling below freezing."

But before you hang the blanket out to dry, it should be blocked back to its original measurements (which you recorded before you washed it, remember?). The General Electric Consumers Institute says that the easiest way to block a blanket is to lay it on a flat surface, grasp the edge about halfway between each bound end and grasp one bound end with your other hand. Move gradually from one side of the blanket to the other, stretching it every few inches. Repeat, grasping the other bound end and center section.

And now to get back to that warm breezy day.

How to Hang a Blanket

Each blanket should be hung out to dry immediately after washing. Wrap an old sheet or other clean, white cloth around tightly strung clothesline, and hang the blanket either over one line, or, preferably, over two parallel lines. Do not fold the blanket but reverse it several times while drying if you want it soft and fluffy.

Drying a blanket is easy—and quick, if you have an electric clothes dryer. Put the blanket in, set the temperature control for high and the timer for 15 minutes, and the job is done.

Forget the Weather

Of course, washday weather doesn't matter if you have an automatic clothes dryer. Just be sure the dryer is absolutely free of lint, and then put the blanket in, setting the temperature control for high and the timer for 15 minutes.

As soon as the dryer stops, check blanket for the degree of moisture left. If a longer drying period is necessary, reset the dial and check blanket every five minutes, because it should be removed while there is still enough moisture in it to allow you to easily block it again to its original measurements.

Allow "Airing" Time

When dry, blankets may be brushed with a soft brush, in one direction only, and the binding pressed with a warm iron and a pressing cloth. Be sure you allow adequate "airing" time for clean blankets before packaging them away in mothproof containers.

THE TOWNSHIP REGISTER

A dream comes true!

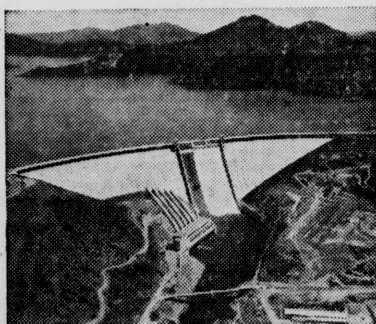

MORE WATER FOR CALIFORNIA FARMS!

Today water from Mt. Shasta flows through the canals of the great Central Valley Project. Californians have won a 16-year struggle with Nature to bring more water to the San Joaquin Valley, to add new agricultural wealth to the state.

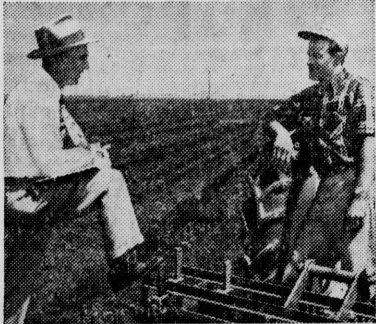

CVP was conceived by the people of California. In 1935, they called in the U.S. Bureau of Reclamation to do the construction job. And today that job is practically finished.

All California profits, for since the business of our cities is largely dependent on agriculture, what benefits the farmer benefits everyone.

HOW P.G. and E. HELPS PAY FOR THE CENTRAL VALLEY PROJECT and makes its water more useful...

Saves CVP users millions! Construction costs of CVP will total over 600 million dollars. This is to be repaid in 2 ways: 1) by sale of water; 2) by sale of electric power generated as a by-product. Already P. G. and E. has paid 37 million dollars to CVP for Shasta Dam power; and that power is transported to 5,000,000 Californians—everyone within reach of our lines. Our purchase of Shasta power reduces cost of irrigation water to farmers.

Aids in solving water problems. P. G. and E.'s Farm Power Advisory staff and pump testing crews are ready to help farmers get irrigation water at lowest cost. For those who switch from electric pumping to gravity irrigation, our men will assist in change-over plans. For the great majority who will continue electric pumping, our technicians will help solve water table problems. And as always, P. G. and E.'s Farm Advisory service is free.

Power rates among lowest in U.S. Electric pumping of irrigation water averages only 3 1/2% of crop production costs. Yet it is largely responsible for California farmers' high income—income which is three times the national average. Electricity and gas are both cheap in California, for P. G. and E. rates are far below the U.S. average. Other costs have skyrocketed since 1940, but P. G. and E. prices are still low—and are today's big bargain.

IT PAYS . . . AND HOW!

Not only does the public enjoy lower prices, and the manufacturers and retailers better profits, through the use of advertising, but virtually no important publication or radio station can exist without advertising. This was the essence of a recent talk given by Sam B. Stewart, general counsel of the Bank of America, on the subject: "Is Advertising an Economic Waste?"

Stewart introduced a new note when he revealed that a further advantage accrues to advertisers in the fact that banks prefer to make loans to those whose products are well known than to those whose products are not.

"Recent figures furnished by Printers' Ink Magazine," said Stewart, "indicate that nearly \$2 billion of current advertising expenditures go to our newspapers, \$500 million to our magazines. Can it be doubted that American readers receive more complete news and vastly better information and entertainment from their newspapers and magazines as a result?"

It seems to us that this latter point is a particularly telling one. The general public little realizes that the channels which keep them the best informed people in the world are made possible mainly through money spent for advertising. At the same time, of course, the advertiser benefits through the

wider recognition and acceptance of his product.

Mr. Stewart said that advertising is now considered an economic necessity. That it is—not only to advertisers, but to the public, both as consumers and as individuals vitally interested in the happenings which make up the daily world around them.

DON'T BE A STRANGER

With California's steadily rising population—estimated at 25,000 a month—we have an unusually high percentage of newcomers in our midst at all times.

Most of these people have come here of their own choice to enjoy the better life which California has to offer. Their presence and the contribution of their time and talents to the vast diversity of California enterprises are helping to create a more prosperous economy and is enabling them and others to realize the full measure of better living.

But being in unfamiliar surroundings some of the new arrivals are somewhat timid in making new contacts. Yet, it is through such contacts that they will more quickly feel at home and more readily take an active part in local civic, social and organized activities.

Local merchants and tradesmen are always glad to meet the newcomers and be of service to them. So, it is well for the stranger to introduce himself where he will do his trading in order that he may quickly become known, and to open an account at the nearest bank so that his identity and credit standing may be properly established. The newspaper editor also likes to hear from new residents.

The people of California are a friendly people and they welcome newcomers. If you have recently arrived in California the hand of hospitality is extended to you.

Thinking Things Over . . .

By VIVIAN BATMAN

PARTS WINNER

Parts of Dr. Tom Wilson's car—an MG—won places in two races at the sport car races at Buchanan Fields in Concord last Sunday.

This is not as daffy as it might at first seem to be. Dr. Wilson, sitting on the sidelines in his little yellow sport car, was persuaded by a frantic racing man whose drive shaft had broken in the middle of the hundred-mile affair to let him take the drive shaft out of the Wilson MG. A little bit dazed, but nonetheless obliging, the sporting dentist consented and looked on while the racer's helpers took out the drive shaft and put it in the racing car (in about ten minutes flat) to go on and win the race!

That wasn't all. In another race, an MG driver needed a carburetor. Dr. Wilson again obliged, and then his car was left without a drive shaft OR carburetor. The carburetor-borrower took second place in this race!

Doc Wilson isn't too unhappy about the whole affair, as he feels he has a pretty good little car even if it DOES win races in disassembled parts.

Note: He is busy this week putting the car together again.

A LOCK APART

Mrs. Jessie Cole, who is pinching at the water office in Niles this week during the absence of Mrs. Katherine Meyer, was handed a key by Clifford Dennis, the manager.

She came to work the next morning, put the key in the lock, and tried frantically for ten or fifteen minutes to open the door. She looked around finally in helpless desperation, wondering what to do next, when suddenly something struck her that the surroundings didn't look the same as they had the afternoon before. No wonder! It was Dr. Buehler's office, next door, that she had been frantically trying to break into!

THE WRECKING CREW

I attended a meeting of the sanitary board Wednesday night, where irate citizens gathered to register verbal complaints against the Artukovich contractors, who put in the sewage system south of Niles.

The damage wrought by these wreckers was comparable to the recent floods in the Middle West.

It would be cheaper for the taxpayers in the long run to buy the Messers Artukovich a nice piece of ground, build them some streets, and let them go to it. Let them dig all the holes they want, leave as many uncovered as they want, let them create dust storms at will with their street brooms, let them heave sand, gravel, and rocks in gaily abandon on landscaped areas designed to simulate private lawns and gardens, and let them bring in all the equipment they need to create those attractive wash-board

NEW CONSTRUCTION CONTINUES HIGH

New construction in the unincorporated area of Alameda County continued to remain at a high peak during July with 590 building permits issued by the building inspection department.

Marcus S. Carlson, building official, announced this week that the 590 permits represent an estimated valuation of \$3,749,020.

Heading the list of types of permits were those for single family dwellings, with authorization for 460 homes at an estimated valuation of \$3,443,240. Six new commercial buildings with an estimated valuation of \$110,000 were also authorized.

effects they have perfected for city streets.

In other words, keep them confined in this particular plot of ground and away from unsuspecting citizens who want nothing more than an adequate sewer system—and never mind the "extras."

Right now these blissful characters are happily digging sewers in Alameda, and—from what I hear—Alameda will be a long time recovering from the man-made catastrophe.

BAD LUCK?

The people of Washington Township are very superstitious. We have ample proof of that this week.

A woman put an ad in the classified section of the Register, offering free kittens, two black ones and one orange-striped.

Nobody would take the black ones. "We don't want a black one," was the comment made by most everyone, "they bring bad luck."

It has always been my belief that a black cat was supposed to bring bad luck only if it runs in front of you. This is the first time I had heard that to OWN a black cat brought bad luck.

If we had any use for a cat at this time, I would be willing to conduct an experiment. I would get a black one and just wait results—either good or bad. A sort of scientific project. But we have no gophers at the present time, nor any mice. So I can not conscientiously bring a cat into our home at this time.

If any owner of a black cat has any ideas on this subject, however, I would be willing to hear about them. It seems unfair to black cats to be discriminated against in this cruel fashion if there is no reason for it.

The "Joaquin Murieta Trail," in Mariposa County, leads to the historic town of Hornitos in the Mother Lode Country.

BETSY ROSS PLANS FOR COMING YEAR

Betsy Ross Parlor No. 238, Centerville, Native Daughters of the Golden West, held its first meeting of the term under the direction of the newly-installed president, Mrs. Aldine Garcia.

Plans are being made for the annual picnic-barbecue to be held September 20. Mrs. Rose Furtado was appointed chairman for this occasion.

A bridal shower is to be given Miss Barbara Ponti after the next meeting on August 15. Mrs. Rose Pashote will be chairman for the evening.

Mrs. Matilda Enos and Mrs. Rose Furtado, delegates to the 65th Grand Parlor held in Pasadena in June, gave reports of the meeting.

Committee chairmen for the ensuing year, appointed by the president, were announced as follows: flowers and cards, Mrs. Hortense Cunha; ways and means, Mrs. Evelyn Garcia; membership, Betsy Ross Parlor members; publicity, Mrs. Aldine Garcia; scrap book, Mrs. Irma Vargas; Memorial Day graveside flags, Mrs. Rita Oliveira; baby spoon, Mrs. Matilda Enos.

A letter from the Grand Parlor of the N.D.G.W. notified the Parlor of the appointment of Mrs. Evelyn Garcia as a member of the state committee on the restoration of Mission San Jose.

EDUCATORS ELECT E. DIXON BRISTOW

Niles School District Superintendent E. Dixon Bristow has been elected president of the Alameda County Board of Education for the year 1951-52. Bristow has served as a member of the county board since 1926.

Other members of the board are: Dr. Vaughn Seidel, county superintendent of schools; George Furbush, Alameda; Dr. Georgina Drot-cour, Berkeley, and Miss McStay, Hayward.

The group outlines the course of study for the public schools of the county, grants county certificates, approves life diplomas and makes inspection visits to the schools in unincorporated areas of the county.

MOTHER OF LOCAL WOMAN DIES IN STOCKTON

Friends of Mrs. Dwight Thornburg will be sorry to hear that her mother, Mrs. Harriet Farr, passed away at her home in Stockton last week. Since that time Mrs. Thornburg has been in Stockton.

Funeral services for Mrs. Farr were held in Stockton, with burial at Turlock. Dr. Tully Knoles of the College of the Pacific was among those who paid final tribute to Mrs. Farr.

CIVIL SERVICE JOBS NOW OPEN

The Alameda County Civil Service Commission announced this week that examinations are to be held in the near future in many categories of county employment.

The positions open and the present salary range are: Public health nurse, \$291 to \$356; field visitor, \$250 to \$306; building official (plumbing), \$400; public defender, junior assistant, \$375 to \$459; junior typist, \$188 to \$226; junior stenographer, \$206 to \$250; seasonal deputy clerk, \$263.

Application forms may be secured at the office of the Civil Service Commission, Room 205, Court House, Oakland 7, Calif.

SUNOL GETS NEW TELEPHONE SYSTEM

Sunol's new \$24,000 enlarged dial telephone office went into operation at 2 p.m. Tuesday.

S. D. Smith, Pacific Telephone manager, said this week that the enlargement has made possible connection of telephones for many of those who have been waiting for service and that it also provides a margin of reserve for future telephone growth.

Since the project required changing some numbers for Sunol subscribers, Smith cautioned telephone users to consult the special directory, which shows all new Sunol telephone numbers.

ADMINISTRATION DEFEAT ON CONTROLS

Adding up the score on the controls fight just waged in Congress, seasoned observers still are incredulous at the result.

No matter how the results are tabulated, the analysts note, the proposed new, drastically altered controls measure represents a stinging setback for the Truman administration.

This was a fight, observers point out, that the President led personally, carrying his story to the nation via complete radio and television facilities. The President called on the people to send Congress an avalanche of letters demanding that stricter controls and more power over the national economy be placed in the hand of the administration. The torrent of letters never came. Instead, opposition to the administration stand mounted to unprecedented proportions.

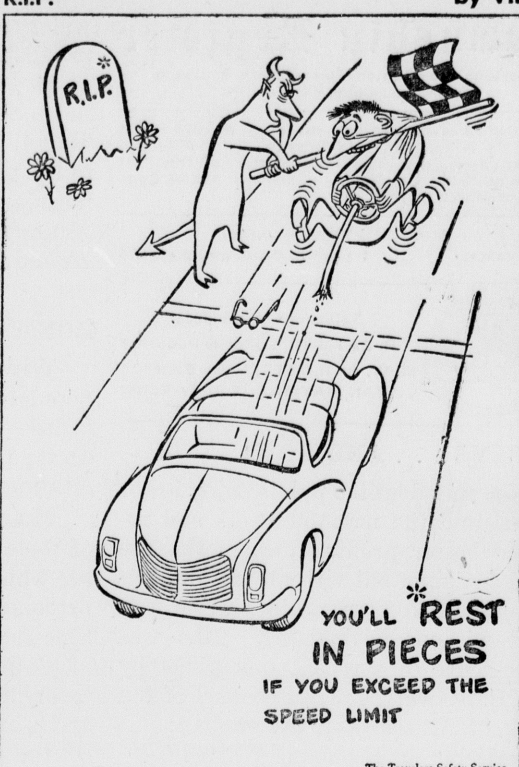

COMPROMISE BILL

The new Senate-House compromise bill, in approximate outline, continues price and wage controls but prohibits the future price "roll-backs" insisted upon by Price Controller Michael V. DiSalle. DiSalle is stopped from using slaughtering quotas to control livestock. Powers to issue priorities and allocate materials for defense have been continued until June 30, 1952. The administration desired a two-year extension.

The Federal Reserve Board was given renewed power to limit consumer credit; a new ceiling on down payments that can be required on new and used cars was fixed — but installment payment periods were upped beyond the

R.I.P.*

by VIP

the present 15 months. Rent ceilings were continued—but with built-in rent increases "in critical defense housing areas"; 20 per cent increases over June 30, 1947, were written into the bill, too.

FARM PARITY

Contrary to the administration request, the new bill turned down a one-year freeze on farm parity; the power for tighter controls on the commodity market was not voted; and roll-backs on farm commodities were virtually eliminated.

In addition, the Government was not granted new powers to build its own defense plants and the request for authority to license all businesses was overwhelmingly rejected.

DEMOCRATS REBEL

Controls, in short, took a drubbing—and both Democrats and Republicans contributed to it. Key Democrats like Senate Floor Leader Ernest McFarland of Arizona, Senate Banking Committee Chairman Burnet Maybank of South Carolina, and Democrat whip Lyndon Johnson of Texas never once rose to the administration's defense while both parties lit into

it for defects in administration of the controls it already had.

Key to the entire picture, most observers contend, is the fact that the vast majority of the American people have seen just enough of controls to take a very jaundiced view of them—particularly as administered the past year.

Real Buys in Real Estate

OWN YOUR HOME when hard times come. Buy now and save your rent.
